

School of Business-1

School of Business

Interim Dean: Jack V. Kirnan; Assistant Dean: Janice Huang

The School of Business is accredited by the AACSB International—The Association to Advance Collegiate Schools of Business. The School of Business offers programs in accountancy, economics, finance, interdisciplinary business, international business, management, and marketing. These programs lead to one of four undergraduate degrees: a Bachelor of Science in Accountancy, a Bachelor of Science in Business Administration, a Bachelor of Science in Economics, or a Bachelor of Arts in Economics. Minors are available in accounting, economics, finance, human resource management, international business, management, marketing, and professional selling.

Vision

The School of Business at The College of New Jersey aspires to be a premier undergraduate business school, the first choice of New Jersey students seeking a business education and the first choice of employers seeking business graduates.

Mission

Our mission is to:

- Educate students to become successful professionals and ethical citizens, ready to contribute to the demands of the evolving business environment and prepare them to assume positions of responsibility and leadership in a complex, technological, global, and multicultural world.
- Deliver a cutting-edge and applications-based curriculum to the brightest New Jersey students who are seeking the highest quality undergraduate education in business and foster an environment in which students may develop a tailored course of study to suit their individual interests and aspirations.
- Develop mutually beneficial relationships with businesses, alumni, professional groups, and local communities.
- Contribute to the discovery of business and economic knowledge and to expand the application of research findings.

Business Professions Program

All entering freshmen are required to participate in this program. Structured workshops and activities will provide students with the skills necessary to succeed in today's business environment. An internship is strongly recommended.

Directed Readings and Independent Research

Directed readings and independent research generally require a student to work independently under the supervision of a faculty member. Independent research requires a research project that typically involves literature review and field research. It is recommended only for seniors who have a strong interest in an area of research of a particular faculty member.

School of Business-2

Beta Gamma Sigma

The College of New Jersey Chapter of Beta Gamma Sigma is an honor society, designed to encourage scholarship and accomplishment among students of business and administration, to promote the advancement of education in the art and science of business, and to foster integrity in the conduct of business activities.

Beta Gamma Sigma is the honor society for colleges accredited by the American Assembly of Collegiate Schools of Business (AACSB International—the Association to Advance Collegiate Schools of Business). In order to be inducted into Beta Gamma Sigma, a student must be in the upper 10 percent of his or her senior class or upper seven percent of his or her junior class. Beta Gamma Sigma is confident that its membership will serve as effective business and managerial leaders of the 21st century.

Financial Management Association National Honor Society

The FMA National Honor Society was established to encourage and reward scholarship and advancement in finance. The minimum qualification for membership is a 3.25 grade point average in at least two finance courses.

Omicron Delta Epsilon—International Economics Honor Society

To become a member, a student must have completed at least four economics courses with an average over 3.0 and should be at the junior level with a general scholastic average of 3.0 or better.

Transfer Credit Policy

As an accredited institution, the School of Business adheres to the standards of AACSB International—the Association to Advance Collegiate Schools of Business, which requires a process for transferring courses from other institutions. The following identifies our rules for transferring credit:

- Full credit will be given for our 100- and 200-level courses as long as the transferred course was awarded at least a grade of C.
- Full credit will be given for 300- and 400-level courses taken at AACSB-accredited schools as long as the grade earned equals at least a grade of C.
- Capstone courses (the culminating course of a program) must be taken at The College of New Jersey. These capstone courses include:

ACC	498/Accounting Capstone
BUS	498/Seminar in Interdisciplinary Business
FIN	495/Senior Thesis in Finance
ECO	495/Senior Thesis in Economics
INB	498/Senior Seminar on International Business
MGT	451/Senior Thesis in Management
MGT	499/Strategic Management (all business administration specializations)
MKT	440/450/Marketing Management

Accreditation requirements call for at least 50 percent of all business credits to be taken at the degree-granting institution.

School of Business-3

Ungraded Option

A School of Business student may use the Ungraded Option (credit/no credit) for School of Business courses only under the following conditions: 1) the course is not required by the student's major program or minor; and 2) the course will be counted only as an elective.

Required Exit Examination

With the exception of those earning the BA in economics, all students in the School of Business are strongly recommended to take an exit examination during their senior year.
